A show cane or similar may be used to help guide your horse, but the cane must not exceed 1.2m in length. **Using the cane to hit the horse will result in immediate disqualification.**

Points will be lost if the horse refuses any part of the course or if any part of the course is knocked or eaten. This is a timed event around an obstacle course and penalties per fault apply. A clear round without penalties will beat a timed round with penalties. This is a horsemanship class not a speed event, but a total time limit on the course may be set.

120. Heavy Horse Long Rein - Junior Driver Obstacle

A competitor must be 17 years and under on the first day of competition. Proof of age may be required. All competitors must be closely attended by an adult at all times whilst competing. This adult must be a competent horse handler. Competitors shall negotiate obstacle courses as directed by the Judge.

Penalties are incurred for mistakes or if Junior is assisted in any way by the adult. The horse must be driven at a walk, trotting will incur penalties, except in a wheeled vehicle and cantering will result in disqualification.

Points will be lost if the horse or harness touch any part of the course. The course must be driven from the ground, while walking beside or behind the horse. Any break into a trot will be penalised, a break into canter or gallop will be disqualified. Shouting and whipping is not allowed. This is a timed event and penalties per fault apply. A clear round without penalties will beat a timed round with penalties. Fewest faults within a given time is the priority.

122. Cone Driving Obstacle course

Cone driving is open to all heavy and light horses and ponies in long rein driving.

Cone knock down = 5 Second Penalty, Missing a Cone set or entering via the reverse side = 5 Second Penalty, Failing to pass through the start/finish = 5 Second Penalty. Cones width will be 190 cm. There are no exclusions, except where there is a safety or welfare issue identified by the judge.
