Competition Details

This show is a novelty show so it is at the owner's discretion whether to wash their horses or not (classes do not require immaculately groomed/washed animals).

Photos are to be taken within the month of December in the location where your horses are at home.

If you are mounted in any of your photos, please ensure appropriate safety gear is worn. For those handling horses on the ground, please ensure appropriate footwear is worn at all times.

Judges reserve the right to combine or split classes as they see fit, based on entry volumes.

Only one photo per horse per class to be submitted.

Show is open to any horses who are registered with a heavy breed association and the relevant registration certificate will need to be supplied along with your horse's entry form. **Note: failure to add registration certificate for your horse along with your entry submission will result in elimination from the event.**

There will be Closed classes which are split according to age group of your horse (based on 1st August):

- 0-3 years
- 4-9 years
- 10-17 years
- 18+ veterans

Open classes will be judged for all breeds and all ages in one class (no age separation).

Payments are to be made at time of entry (proof of payment needs to accompany entry form). If this does not accompany the entry form, the entry will not be processed. Please use horse owner's surname as the payment reference.

Judging will take up to two weeks post closing date of 31st December.

Ribbons will be sent out after all judging is completed and results have been released (note this can take up to two weeks to be posted).

Rules & Requirements

Show and professional photos are not allowed in submission – photos must be your own and from your horse's home property.

Photos are to display the date of image taken (this can be done through a time stamp – google provides instructions for time stamps for both apple and android devices).
