Qualification: A horse must compete and place in their halter breed (classes 1-10, 20-25 & 32-55) and ridden breed (classes 87-108) to qualify to compete in the Ultimate class. A breed class is a mare, stallion or gelding class that is not restricted by handler or rider age or status. Judging: The class is conducted in two parts.

- Part 1 - Exhibits are presented to the judge(s) under saddle where a ridden workout is completed. Each exhibit is given a score out of 10 (one being the lowest score and ten being the highest).

- Part 2 - Exhibits are presented to the judge(s) in halter and each exhibit is given a score out of 10 (one being the lowest score and ten being the highest).

Scoring: The led and ridden parts of the class are each worth 50%. The points from both parts of the class are combined and the highest score wins. Ties are split by the higher halter score. Judges One or two judges may be used. If one judge is used (one judge for Part A and one judge for Part B) the score is out of 20, and if two are used (both judge Part A and Part B) the score is out of 40. Handler/Rider There must only be one rider and one handler per horse. These may be the same person, or two people. There should be no more than two individuals in the ring at any one time. Presentation of winner Horses to be saddled at the completion of the class for presentations. Places awarded will be gold, silver and bronze for first, second and third respectively. There is no restriction on the number of times an exhibit can win this class, providing that it enters and contests the class in accordance with the rules. Committee reserves the right to modify the way this class is judged on the day if the situation dictates.

THERE WILL BE NO CATERING PROVIDED – PLEASE BRING YOUR OWN FOOD & DRINKS
